SOFT SKILLS

- Problem Solving
- Creative Thinking
- Fast Learner
- Googling

TECHNICAL SKILLS

Python Programming

Machine Learning

Web Development

Arduino Programming

C Programming

Java basics

SRIRAM ANANDAN

PRODUCTIVE PROGRAMMER

CAREER OBJECTIVE

A creative and hardworking student, very interested in learning new technologies to unfold the unknown. Looking forward to work in new projects related to both hardware and software, and also to develop my network circle.

EDUCATION

- 2022 - Pursuing 2nd year BE / Electronics and Communication Engineering in Sri Sairam Engineering College
- 2020 - HSLC in Computer Science with maths at Sri Ramakrishna Matriculation Higher Secondary School
- 2018 - SSLC at Sri Ramakrishna Matriculation Higher Secondary School

ACADEMIA

- Current CGPA 9.1
- Scored 87% in HSLC
- Scored 88% in SSLC

PROJECTS

- CULTIVOS - An online website made with Convolutional Neural Networks which classifies the type of disease which attacked the leaf, also provide the cause and solution to resolve the disease
- DRASTER - A software which is similar to JARVIS which can respond to my commands, and also handle all the queries with the help of wolfram alpha api ,with GUI made with rainmeter
- SKETCHPY - A python package which is uploaded to PYPI - python package manager, which animates the drawing of an input images, example is available here
- FAIT - A Hardware project, Farming using AI Technology, which is actually a rover that sends the leaf images to cultivos website for the classification, which also gathers the fields information

COMPETITION

- SOLVATHON
- ZENISTA
- E-YENTRA
- KALASALINGAM
- IDEATHON
- TECH NINJA

KNOWN TECHNOLOGIES

- TENSORFLOW
- OPEN-CV
- Heroku
- HTML, CSS, Java Script, React JS
- Arduino Programming
- GitHub
- Blynk
- Web Scraping with selenium

EXTRA CURRICULAR ACTIVITIES AND HOBBIES

- YouTube – Content Creating
- Video editing
- Photoshop
- Blogging
- Creating Simple electronics projects

ABOUT ME

Hi there, I am Sriram.A. I am an innovative engineering student. Working toward the sole goal of advancing humanity by tackling everyday problems with simple and reliable solutions to fit every domain, I can work with a wide range of people from different disciplines. Hard Work, Team Management and leadership are some of my interpersonal qualities. I am looking for an intern to improve my skills and to get some industrial experience.

Thank You
